

The National Home Builders Registration Council (NHBRC) is an organ of state mandated in terms of the Housing Consumers Protection Measures Act 1998 (Act No. 95 of 1998) to protect all housing consumers against defined structural defects and to regulate the home building industry.

## BURSARY AWARDS 2009

The NHBRC is calling for interested applicants or students wanting to pursue studies towards a B-Tech or B-Degree in one of the following fields in the Built Environment:

- Quantity Surveying
- Civil Engineering
- Building Science
- Architecture
- Construction Management

Applicants are expected to study at any accredited South African tertiary institution. It is the student's responsibility to seek admission with tertiary institutions and accommodation within the University / Technikon residence. The bursary is for full time programme and will be renewed annually based on academic performance.

### Requirements:

- Applicants must be South African citizens
- Latest grade 12 results with mathematics and physical science with minimum symbol D on Higher Grade (HG) for matriculants
- Progress report for current tertiary studies
- Letter of motivation indicating choice of studies
- Admission or provisional letter of admission from the institution
- Certified copy of South African Identity Document
- Reference / testimonial from the school / institution
