Drafting Instructions

- Complete empty fields remaining in left hand column
- Delete this whole right column and drag this line to right hand boundary before issuing as a Notice. ← →

Insert data

2 NOTIFICATION OF PROJECT TERMINATION

- The MEC responsible for housing matters in _____ Province has examined the project description (Form N _____) submitted by _____ Municipality and gives notice to the Municipality of termination of the proposed project.
- The MEC gives the following reasons for termination of the proposed project:

1	
2	
3	
4	
5	

Insert appropriate Form number being N4 in respect of a project description of N6 in respect of a feasibility report or NHBRC response declining project enrolment.

Insert additional rows or delete rows as necessary

3 INSTRUCTION TO APPLICANT

The MEC requires the _____ Municipality to notify the MEC within two weeks, being by _____ (date) if the Municipality intends to re-submit the project description with suitable amendments to respond to the reasons given above. If such notice is not received by this date, or if the Municipality notifies the MEC in writing that it does not intend to re-submit the project description, the proposed project will be terminated and closed in terms of the financial directives pertaining.

This Notice is made by the MEC responsible for Housing.
